

# Paganizer, Way Of The Rotting

Skin peeled from home  
As you're cleansed in hell  
Through morbid pain  
You pay for your sickened ways  
You pay in blood

This is your punishment  
Forever alive to die again

Flowing from your veins  
The sick inside  
Choke on putrefaction  
Slowly as you die  
As you're killed again and again

Rotting is your soul  
Devoured  
Morbid is the way you will travel

Damnation through torture  
As you slowly burn  
Suffering brings the end to your sickened ways

This is your punishment  
Forever alive to die again

Skin peeled from bone  
As you're cleansed in hell  
Through morbid pain  
You pay for your sickened ways  
You pay in blood
