

Page 44, To Make You Proud

And you say like you mean it.
and you say like you mean it

you don't mean that much to me anymore
you don't mean that much to anyone

feels like your welcome ???
feels like i've let you down
but i'm just trying to live my life
to make you proud

and you say like you mean it
and you say like you mean it
you don't mean that much to me anymore
you don't mean that much to anyone

[Whoo!]

and you say like you mean it

realize that life's not a ???
but it's time that i stood my ground
living my life in my own way
just to make you proud

and you sound like you mean it
and you say like you mean it

you don't mean that much to me anymore
you don't mean that much to anyone.
