Hey, hey, hey
You on the trampoline
Trying to see everything
Hey, hey, hey
Sweet little Cherubim
Where has your papa been?
You've got the keys to his chariot

And I bet it looks hilarious
To watch it drag the terriers
And all the bugs that fair the earth
Through all the dams and barriers

Turn the vessel upside down
Turn the vessel upside down
Let us swim or let us drown
I am lost but I have found

You burn right through my palms
You burn right through my palms

Hey, hey, hey
You on the trampoline
Up above everything
Hey, hey, hey, sweet little Cherubim
Wanting to be let in
Be careful what you ask for

'Cause it burns right up your walls
It burns right up your walls

And I bet it looks hilarious
To watch it drag the terriers
And all the bugs that fair the earth
Through all the dams and barriers

Turn the vessel upside down
Turn the vessel upside down
Let us swim or let us drown
I am lost but I have found

Burn right down my walls
You burn right down my walls
You burn right down my walls
You burn right down my walls
