Hey, hey, hey
You on the trampoline
Trying to see everything
Hey, hey, hey
Sweet little Cherubim
Where has your papa been?
You've got the keys to his chariot

And I bet it looks hilarious
To watch it drag the terriers
And all the bugs that fair the earth
Through all the dams and barriers

Turn the vessel upside down Turn the vessel upside down Let us swim or let us drown I am lost but I have found

You burn right through my palms You burn right through my palms

Hey, hey, hey You on the trampoline Up above everything Hey, hey, hey, sweet little Cherubim Wanting to be let in Be careful what you ask for

'Cause it burns right up your walls It burns right up your walls

And I bet it looks hilarious To watch it drag the terriers And all the bugs that fair the earth Through all the dams and barriers

Turn the vessel upside down Turn the vessel upside down Let us swim or let us drown I am lost but I have found

Burn right down my walls You burn right down my walls You burn right down my walls You burn right down my walls
