

Pages, You Need A Hero

There was a time in your life, when it was easier livin' all alone
Find yourself livin' on the edge of another reason why you can't go home

I got news for you, nothin's lost if what we have is love
Just someone to catch you when you fall, is the only thing you wanted at all

You need a hero, someone to rescue you, yeah someone that you can run to
You need a hero, someone to rescue you
Don't run away, I'm waitin' to love you

We're just a heartbeat apart, closer than we've ever been before
I'll be there to catch you when you fall
It's the only thing you wanted at all

You need a hero, someone to rescue you, just someone that you can run to
You need a hero, someone to rescue you
Don't run away, I'm waitin' to love you

(Solo)

I'll be there to catch you when you fall
It's the only thing you wanted at all

You need a hero, someone to rescue you, yeah someone that you can run to
You need a hero, someone to rescue you, don't run away, don't run away
You need a hero, someone to rescue you
You need a hero, someone to rescue you, don't run away, I'm here for you
You need a hero, someone to rescue you... (to fade)
