

Pain Teens, Swimming

Swimming, swimming,
swimming in those arms
whose embrace I knew before
only in my dreams
is a wonder, wonder,
wonder of such beauty
that I'm overwhelmed.
I'm drowning in ecstasy
Sinking into a sea of bliss
Drowning in ecstasy
Sinking into a sea of bliss
We are transfixed
The clouds, the wind,
the trees all whisper
to hush our frenzied fall
The clouds, the wind,
the trees all whisper
to hush our frenzied fall,
falling into the light.
