

# Pain Teens, Swimming

Swimming, swimming,  
swimming in those arms  
whose embrace I knew before  
only in my dreams  
is a wonder, wonder,  
wonder of such beauty  
that I'm overwhelmed.  
I'm drowning in ecstasy  
Sinking into a sea of bliss  
Drowning in ecstasy  
Sinking into a sea of bliss  
We are transfixed  
The clouds, the wind,  
the trees all whisper  
to hush our frenzied fall  
The clouds, the wind,  
the trees all whisper  
to hush our frenzied fall,  
falling into the light.
