

# Painful Memories, Memorial To Suffering

This Pain remains of Doom  
The roaming is aimless  
Being uncertain is accompanied  
By loss of a vital power  
So We make them  
So We make the monsters  
Who are the results of our  
Morbid imaginations  
The fear, The fear  
Increases and gets stronger  
The fear, The fear  
It's fragile existence  
I've lost my Faith  
Going on my way  
How stupid-it all is a deception...  
We immortalize a Human Suffering, Suffering  
By our Deaths  
You suffer! Suffering!  
You suffer! Suffering!  
The Pain prevents from a fascination  
Pain...
