

Pale Divine, The Fog

This is the fog
It's really not so bad
Like a homeland
As if I need a home
Well I need a home
This is the fog
It's really not so bad
Like a dreamland
That sometimes I control
Yeah this is the fog
My vision always clouding
Thinking sometimes, sometimes
Sometimes it's better not to know
And if I see you through the fog
I can never know you until I know myself
What I want, you see is never what I have
And so I reach for someone else
It's really not so bad
Living in the fog
I can live and never, ever
Ever see the blue sky
I'm not afraid to try
Fear is on the outside
No one's in but me
I have locked myself inside myself
And thrown away the key
Now there's nothing left to share
And I'm not going anywhere
Nothing new, I'm just like you
It's really not so bad
Well this is the fog
It's how I've chosen to keep living
When life leaves me alone
And if I see you through the fog
I can never love you until I know myself
What I want, you see is never what I have
So I reach for someone else
I know you think it's sad
But it's really not so bad
And it's all, and it's all, all, all...
This is the fog (oh)
This is the fog (oh)
My life is a fog, fog
