

# Paleface, Back To Square One

My intentions are dubious  
like those of Senor Rubio's in 19-20  
against Venustiano Carranza  
!Viva Ortiz! nia Mortis  
with the Pick, the Shovel and the Sickle  
fuck Mr. Pickle swerving around  
with the singular testical  
I'm the man with the 88 methods like Tical  
and I'm biblical  
like Samson, Delilah and Deborah  
mathematical like  
trigonometry and algebra et cetera  
that's enough boatin' for one stanza  
extravaganza  
try and be brooklynesque  
like Tony Danza  
but you end up balding and  
neurotic like George Costanza  
with Jerry Seinfeld  
and Kramer  
the only reason you date her  
is so that you could blame her of fornicating,  
dating others  
flirting, inserting words in the mouths of your brothers  
youse a jealous fucker, aintcha?  
well, try and grow up  
I had invisible paint  
I'd paintcha  
and then throw up on ya and then go all out  
I'd love to see you  
shit those pants and then stall out

You can ask a man what  
he's accused of or convicted of  
but never what he done  
Just when you think that you've  
been able to turn your life around  
before you know it  
you're back to square one

Toxoplasmosis,  
stone tablets down the mountain like Moses, bring the tanks and the hoses,  
I'll bring the pressure like osmosis, flowerbed  
daphnids and roses  
head exploded  
unable to make out ears from noses - it's all a mess, ohmigod  
god bless goes the preacher  
remindin' you of your Sunday School teacher  
or some other morbid creature  
you know you never were able to feature  
all the traits of a Good Christian  
reach-uppity-reacher  
I'll meet you down the road  
seat you down the road on a couch, ya potato  
youse a lemonhead like Kato Kaelin  
mailing digitized evidence  
to the prosecution witnesses  
die lonely like Van Gogh and go Mandrill with the Mango Meat/meet  
me Just Outside of Town,  
your skin colour's just inside of black  
but just outside of brown almost indjan, deep, exotic like the Pacific Ocean  
what I mean is like  
exact, precise, specific motion?

You can ask a man what  
he's accused of or convinced of  
but never what he done  
Just when you think that you've  
been able to turn your life around  
before you know it  
you're back to square one  
before you know it  
you're back to square one  
before you know it  
you're back to square one

You can ask a man what  
he's accused of or convinced of  
but never what he done  
Just when you think that you've  
been able to turn your life around  
before you know it  
you're back to square one  
before you know it  
you're back to square one  
before you know it  
you're back to square one
