

Paleo, 19 Ninety-Two

19 NINETY TWO

the year was

nineteen ninety two she told me to take off my shoes
before i sat on the edge of the love seat
and things were not ever the same

since we were ten years old
and it's been hard in every way
what more can i say?

when she's so close, she's so close
her barrett's in my eye
and it's blow blow blowing my mind
that you are blowing my mind
every day

what more can i say?

she went to work on the fourth of july

i will be your pretty kitty
i won't shed and shit on your things
