

# Paleo, Two X Half

TWO X HALF

one by one  
and two by three  
i'll tell you all my secrets  
share a few with me, baby

one by one  
and two by half  
the days go on forever  
i'll be biding your time  
time is the only thing i have

all this waiting  
all this waiting  
all this waiting  
all this waiting  
all this waiting  
all this waiting  
all this waiting for you
