

Palma Violets, Rattlesnake Highway

Rattlesnake highway I wanna go
She is the best act when I'm home
Shoulder by shoulder, I know
Those there can't stand, they are

Sure, this seek in weaken watch and grow
Just try to treat me excellent as all
All like you, I have nothing, dollars not for you 'cause
I love you, song the songs 'cause I'm alone

Call love, call it up, watch that and listen to me
My love, why are walking you broad away?
I guess you called the moon again, you just turned in air
I called rattlesnake highway mad
I called rattlesnake highway mad
Rattlesnake highway
Rattlesnake highway
I called rattlesnake highway mad
Rattlesnake highway
Rattlesnake highway.
