

Palma Violets, We Found Love

Laughing all the way to the cell
And i've paid off
Stepping out into the sun __

I'm gonna find myself a ladyfriend
And stick by her till the end

La la la lala layla cuz I found love

Oh lord

I'm gonna find myself anekatips a ladyfriend
And stick by her till the end

La la la lala layla cause we found love

Oooh oooh oooh

La la la la la

You are my serpentine
But i'll never look you in the eyes again
You are my one divine
But i'll never look you in the eyes again
