

# Paloma Faith, The Crazy Ones (Miss You Already)

Always the crazy ones, the crazy ones  
Will never forget it all  
Cause it's the crazy ones, the crazy ones  
Who make our life such a beautiful mess

Woo, even the worst times were the best times  
The best times ever, woo  
Even the bad days were the good days  
I'll always remember, woo  
Then I'll always keep parts of you  
Are part of me forever

Oh, cause it's the crazy ones, the crazy ones  
Will never be replaced  
Oh, cause it's the crazy ones, the crazy ones  
Who make our world beautifully insane

Woo, even the worst times were the best times  
The best times ever, woo  
Even the bad days were the good days  
I'll always remember, woo  
Then I'll always keep parts of you  
Are part of me forever

Here's to the crazy ones  
Here's to the crazy ones

The ones are pushed too far  
The ones will fly too fast  
The flames that burn too bright  
That burn too bright to last  
They're anything but easy  
They're anything but sane  
But once they're in your life  
You'll never be the same

Woo, even the worst times were the best times  
The best times ever, woo  
Even the bad days were the good days  
I'll always remember, woo  
Then I'll always keep parts of you  
Are part of me forever

Here's to the crazy ones  
Here's to the crazy ones

Here's to you, my crazy friend  
There's a hole in the world  
That will never be filled again  
Here's to you, my crazy friend
