

Pam Tillis, If I Didn't Love You

IF I DIDN'T LOVE YOU

WRITERS TINA ARENA, PAM RESWICK, STEVE WERFEL

So good When it's good I wanna spend my whole life lovin' you
But I'm tired And you don't know how close I've come to leaving you
You try my patience And you race me to the wire It takes every ounce of my will and desire
If I didn't love you If I didn't love you like crazy If I didn't love you baby As much as I do
I'd just walk out the door I couldn't take it anymore I wouldn't put up with what you put me through
If I didn't love you
It's hard But you won't give up 'till you Push me to the wall But I know You're the only one who'll b
When I call (oh yes you will) I can't help believing That it's worth it somehow Cause I've worked too
To wanna give up now
If I didn't love you If I didn't love you like crazy If I didn't love you baby As much as I do
I'd just walk out the door I couldn't take it anymore I wouldn't put up with what you put me through
If I didn't love you If I didn't love you Nah, If I didn't If I didn't love you like I do
When you love someone Nothings black or white When the riptide runs There's no wrong or right
I'll sail with you but I'll refuse to drown So don't you take me down, down Take me down down Don
If I didn't love you If I didn't love you I'd walk out that door I don't need it anymore
Need to put up with what you put me through If I didn't love you If I didn't love you If I didn't love you
If I didn't love you like I do I'd walk out that door I'm not comin' back no more No more
