

# Pam Tillis, Not Me

(Stephony Smith/Cathy Majeski/Sunny Russ)

I followed you around like a little lost child barely dancin' with your shadow  
I didn't say a thing, I let you run wild 'til your love pierced me like an arrow  
Right to the heart right straight through the heart, you broke it in two  
Hey way to go you let me go crazy without you  
I won't go through that again, no not me  
Once is enough to be somebody's fool  
You may find someone else willing to lose themselves  
Be what you want them to be, but not me, oh no  
I'm sorry darlin' sounds too familiar to me  
You've become a broken record  
You stole my love and ran like a fumbly thief so why should I trust you with forever  
I'm outta here gone without a tear, yeah I cried'em all away  
I've gotta leave, I'd have to be crazy to stay  
I won't go through that again, no not me  
Once is enough to be somebody's fool  
You may find someone else willing to lose themselves  
Be what you want them to be, but not me  
I won't go through that again, no not me  
Once is enough to be somebody's fool  
You may find someone else willing to lose themselves  
Be what you want them to be  
But not me
