

Panic! At The Disco, Do You Know What I'm See

Clouds are marching along, singing a song, just like they do
If the clouds were singing a song, I'd sing along
Wouldn't you too?
If you just knew, what they could do
Oh if you just knew, what would they do?

And if the birds are just hollow words
Flying along, singing a song
What would they do
If they just knew what we could do?
Oh, if they just knew

I know it's sad that I never gave a damn about the weather
And it never gave a damn about me
I know it's sad that I never gave a damn about the weather
And it never gave a damn about me
No, it never gave a damn about me

I know it's mad, but if I go to hell
Will you come with me? Or just leave?
I know it's mad, but if the world were ending
Would you kiss me? Or just leave me?
Just leave me?

Clouds are singing a song, marching along, just like they do
If the clouds were playing a song, I'd play along
Wouldn't you too?
If you just knew, what they could do
Oh if you just knew, what would they do?

And if words are just hollow birds
Flying along, singing a song
What would they do
If they just knew what we could do?
Oh if they just knew

I know it's sad that I never gave a damn about the weather
And it never gave a damn about me
I know it's sad that I never gave a damn about the weather
And it never gave a damn about me
No, it never gave a damn about me

I know it's mad, but if I go to hell
Will you come with me? Or just leave?
I know it's mad, but if the world were ending
Would you kiss me? Or just leave me?
Just leave me?

I know it's sad that I never gave a damn about the weather
And it never gave a damn about me
I know it's sad that I never gave a damn about the weather
And it never gave a damn about me
I know it's sad that I never gave a damn about the weather
And it never gave a damn about me
I know it's sad that I never gave a damn about the weather
And it never gave a damn about me
No, it never gave a damn about me
