

Panic! At The Disco, Don't Threaten Me With a G

Alright, alright
Alright, alright
Alright, alright, it's a helluva feeling though
it's a hell of a feeling though
Alright, alright, it's a helluva feeling though
it's a hell of a feeling though

Who are these people?
I just woke up in my underwear
No liquor left on the shelf
I should prob'ly introduce myself
You shoulda' seen what I wore
I had a cane and a party hat
I was the king of this hologram
Where there's no such thing as getting out of hand
Memories tend to just pop up
Drunk pre-meds and some rubber gloves
Five-thousand people with designer drugs
Don't think I'll ever get enough

[Pre-Chorus]
Champagne, cocaine, gasoline
And most things in between
I roam the city in a shopping cart
A pack of camels and a smoke alarm

[Chorus]
This night is heating up
Raise hell and turn it up
Saying "If you go on you might pass out in a drain pipe"
Oh yeah
Don't threaten me with a good time

it's a helluva feeling though
it's a helluva feeling though
Alright, alright
it's a helluva feeling though
it's a helluva feeling though

What are these footprints?
They don't look very human-like
Now I wish that I could find my clothes
Bedsheets and a morning rose
I wanna wake up
Can't even tell if this is a dream
How did we end up in my neighbors pool
Upside-down with a perfect view?
Bar to bar at the speed of sound
Fancy feet dancing through this town
Lost my mind in a wedding gown
Don't think I'll ever get it now
(Don't think I'll ever get it now)

[Pre-Chorus]
Champagne, cocaine, gasoline
And most things in between
I roam the city in a shopping cart
A pack of camels and a smoke alarm

[Chorus]
This night is heating up
Raise hell and turn it up
Saying "If you go on you might pass out in a drain pipe"
Oh yeah

Don't threaten me with a good time

I'm a scholar and a gentleman
And I usually don't fall when I try to stand
I lost a bet to a guy in a Chiffon skirt
But I make these high heels work
I've told you time and time again
I'm not as thick as you drunk I am
And we all fell down
When the sun came up
I think we've had enough

Alright, alright
It's a helluva feeling though
It's a helluva feeling though
Alright, alright
It's a helluva feeling though
it's a helluva feeling though

[Pre-Chorus]
Champagne, cocaine, gasoline
And most things in between
I roam the city in a shopping cart
A pack of camels and a smoke alarm

[Chorus]
This night is heating up
Raise hell and turn it up
Saying "If you go on you might pass out in a drain pipe"
Oh yeah
Don't threaten me with a good time
