

Panic! At The Disco, Hey Look Ma, I Made It

all my life
been hustlin and
tonight is my appraisal
case I'm a hooker sllin songs
and my pinp's a record label
this world is full of demons
stocks & bones & bible traders
so I do the deed
get up and leave
a climber and a sadist

are you ready for the sequel
ain't ready for the latest
in the garden of evil
I'm gonna be the greatest
in a golden cathedral
I'll be praying for the faithless
and if you lose, boo hoo

hey look ma I made it /2x
everything's coming up aces, aces
if it's a dream don't wake me
hey look ma I made it

friends are happy for me
or they're honeysuckle phonies
they celebrate my medals
to they wanna take myt trophies
some are oyal soldiers
while these oyther thorns are rosy
and if you never know who you can rust
then trust me, you'll be loely

are you ready for the sequel
ain't ready for the latest
in the garden of evil
I'm gonna be the greatest
in a golden cathedral
I'll be praying for the faithless
and if you lose, boo hoo

mam best believe it
mam best believe it
think I must be draming
wide awake and dreaming
