Panic! At The Disco, I Have Friends In Holy Spac

You remind me of a former love, that I once knew And you carry a little piece with you We were holding hands walking though the middle of the street It's fine with me, I'm just taking in the scenery

You remind me of a few of my famous friends Well that all depends, what you qualify as friends You remind me of a few of my famous friends Well that all depends, what you qualify as friends

Take a chance, take your shoes off, dance in the rain Yea we're splashing around, and the news spread all over town

I'm not complaining that its raining I'm just saying, I'd like it a lot more than you think If the sun would come out and sing with me

You remind me of a few of my famous friends Well that all depends, what you qualify as friends You remind me of a few of my famous friends Well that all depends, what you qualify as friends
