

# Panic! At The Disco, London Beckoned Songs About Money

Stop stalling, make a name for yourself  
Boy, you better put that pen to paper, charm your way out  
If you talk, you better walk, you better back your shit up  
With more than good hooks while you're all under the gun  
Start talking &quot;a sensationalist&quot;  
Oh he's slightly clever to just a certain extent  
If you talk, you better walk, you better keep your mouth shut  
With more than good hooks while you're all under the gun  
Panic, meet the press  
It's time for us to take a chance, it's time for us to take a chance  
Panic, meet the press  
It's time for us to take a chance, it's time for us...

Well we're just a wet dream for the webzines  
Make us it, make us hip, make us scene  
Or shrug us off your shoulders  
Don't approve a single word that we wrote  
Well we're just a wet dream for the webzines

I'm burning and I'm blacking my lungs  
Boy, you know it feels good with fire back on your tongue  
If you talk, you better walk, you better back your shit up  
With more than good hooks while you're all under the gun  
Start talking &quot;a sensationalist&quot;  
Oh he's slightly clever to just a certain extent  
Well keep quiet, let us sing like the doves  
Then decide if it's done with purpose or lack thereof  
Just for the record the weather today is slightly sarcastic with a good chance of:  
A. Indifference or B. Disinterest in what the critics say  
It's time for us to take a chance, it's time for us...
