

Panic! At The Disco, She Had The World

She held the world upon a string
But she didn't ever hold me
She spun the stars on her fingernails
But it never made her happy
Because she couldn't ever have me

She said she'd won the world at a carnival
But she didn't ever win me
Because she couldn't ever catch me

Il know why
Because when I look in her eyes, I just see the sky
When I look in her eyes, well I just see the sky

I don't love you
I'm just passing the time
You could love me
If I knew how to lie
But who could love me?
I am out of my mind
Throwing a line out to sea
To see if I can catch a dream

The sun was always in her eyes
She didn't even see me
That girl had so much love
She'd want to kiss you all the time
Yea she'd want to kiss you all the time

She said she'd won the world at a carnival
But I'm sure I didn't ruin her
I just made her more interesting
I'm sure I didn't ruin her
I just made her more interesting

Il know why
Because when I look in her eyes, I just see the sky
When I look in her eyes, well I just see the sky

I don't love you
I'm just passing the time
You could love me
If I knew how to lie
But who could love me?
I am out of my mind
Throwing a line out to sea
To see if I can catch a dream
