

Panic Attract, Picket Line

picket line of a lightning strike, came to mean more things that i couldn't see, or even think-
your freedom makes me laugh, circumstance means that, i need to think-
guess someday i'd cash my fear, and everything held dear, is better now
-devil needed to cash my deal, a system ending plan, that we all need-
two prophets set out for the age i know- it was not in their hands, it was not in their hands at all-
in a reference to your style, your crooked empty style, anyway from what i see, your lips did turn on
and two prophets set out for the age, i know- it was not in their hands, it was not in their hands at a
