

Pansy Division, Manada

Every time I go north of the border
Boy after boy always wins me over
I'm going to Manada

The weather's cold
But the guys are hot
I don't care if it snows a lot
I'll snuggle up with the boy I got
in Manada

From Newfoundland
to Vancouver Island
From Edmonton
to the Breton Highlands

It's different from the USA
I'm not sure that I could stay
But I know I'll find my way
to Manada

There's Scott in Halifax
Benjamin in Medicine Hat
There's Laurent in Montreal
In Manada, I want them all
I'm going to Manada
