Rock rock rock rock rock & roll queer bar  
Don't care about heterosexuality  
Rock, rock, rock & roll queer bar  
That's not what I want to be  
Rock rock, rock & roll queer bar  
I just wanna have some kicks  
I just wanna get some dicks  
Rock rock rock rock rock & roll queer bar

Well the boys out there knock me out you know  
Rock rock, rock & roll queer bar  
Cruisin'around for a cute homo  
Rock rock, rock & roll queer bar  
I hate the yuppies and the sweater queens  
In their overpriced cars and acid wash jeans  
Rock rock rock rock, rock & roll queer bar
