

# Pansy Division, Sweet Pain

My leathers fit tight around me  
My whip is always beside me  
You want the same thing every day  
I'll teach you love a different way  
You'll learn to love me and my sweet pain  
My love will drive you insane  
Sweet pain, my love will drive you insane

And pain has got its reason  
And if you don't stop your teasin', baby  
I'm gonna show you now  
You'll get your lovin' anyhow, anyhow  
And you'll get to love me and my sweet pain

My love will drive you insane  
Ahh, sweet pain, my love will drive you insane

Ahh, you get to love me any way I say  
Ahh, you get to love me and my sweet pain  
My love will drive you insane
