

# Pantera, Cherokee Cry

Talk about indian rights and wrongs  
Sing a few more freedom songs  
Look to the spirit, ride the wind  
Let's not walk that trail of tears again

Digging up our sacred grounds  
Won't you leave the dead alone  
Let the eagle fly and the buffalos roam  
And give us back our home

Cherokee cry  
Cherokee cry  
Cherokee cry  
Cherokee cry

Right up front I want my freedom back  
I know about Geronimo's Cadillac  
That's how you got us on the reservation  
Don't talk to me about segregation

Digging up our sacred grounds  
Won't you leave the dead alone  
Let the eagle fly and the buffalos roam  
And give us back our home

Cherokee cry  
Cherokee cry  
Cherokee cry  
Cherokee cry  
Set me free, yeah

Cry, oh, cherokee cry  
Cry, oh, cherokee cry  
Cry, oh, cherokee cry  
Cry, oh, cherokee cry
