

# Pantera, Down Below

People runnin'  
In the street  
Looking for some  
Meat to eat  
It's in your  
Dirty magazines  
All across your  
TV screens

Midnight Riders  
In the street  
Feel the fire  
Catch the heat

You better go  
DOWN BELOW  
You better go  
DOWN BELOW

See the ladies  
Of the night  
Built for speed  
To my delight  
I steal them  
In my limousine  
Hear them shout  
Hear them scream

Midnight Riders  
In the street  
Feel the fire  
Catch the heat

It's a dirty job  
But somebody's gotta do it

S-C-R-E-A-M!!!

You better go  
DOWN BELOW  
You better go  
DOWN BELOW

(And she's down for the count!)
