

Pantera, Forever Tonight

I've been waiting
All my life
For the moment
To be right

You and me
Tonite could be the night
A love fantasy
My heart keeps cryin'

FOREVER TONITE
FOREVER TONITE

I wanna feel
You in my arms
I wanna love you till
The emptiness is gone

Take my hand
Tonite could be the nite
Understand
My heart is cryin'

FOREVER TONITE
FOREVER TONITE

Tonite may
Never come again
Don't want to
Let this feelin'
Ever ever end

You and me
Tonite could be the nite
Fall in love
My heart keeps cryin'

FOREVER TONITE
FOREVER TONITE
