

Pantera, Rock Out

Gonna rock it in the evenin'
Lovin' in the morning
I'm gonna show that girl
I can hear her callin' now
What can I do?
I need to get through to you
I've fallen in too deep

Good lovin'
And I'm in love
Good rockin'
She gave me all she got

Sweet darlin'
Can you feel the

It's goin' down
You know I really love it girl
You do it oh so right

Good lovin'
And I'm in love
Good rockin'
She gave me all she got

Uh-oh
