

Pantera, Rock The World

In these times
Of confusion and sin
We must redeem
Our human ways
This force that
Fights to live
Will fight
Till it dies
And rise again
To save the day

[Chorus:]
WE ALL
ROCK THE WORLD
WE ALL
ROCK THE WORLD

The power grows
To destroy
This flag of hate
That waves so
High in the air
We raise our fists
In rebellion we stand
Our hungry hearts
Set the snare

[Chorus]
Ageless as time
Change is revealed
We will rock for you
