

# Pantera, Uplift

On one whole bottle "uplifting!"  
There is no telling what I'll do  
Run head first into traffic  
A mindset of annihilation

No sense makes sense  
You can't get bought without thought  
Ahh... no sense makes sense  
You can't get bought without thought inside  
Your head now

Uplift - uplifting  
Uplifting now

On hallucinogenic "uplift"  
I can step out of my body  
Religion is in myself  
I'll split my head in two and see you twice

No sense makes sense  
You can't get bought without thought  
Ahh... no sense makes sense  
You can't get bought without thought inside  
Your head now

Uplift... uplifting  
Uplifting now...  
Uplifting you now...

Give me alcohol extremities  
Instead of proofless christianity  
Drunked up in a coma place  
Critics disgusted, but a smile on my fucking face  
I do anything that I want  
And I get everything that I ask  
And if this message bothers you, you know  
Just kiss my fucking ass hole
