

# Panzer AG, Tip The Dancer

{{Song||Panzer AG|star=Green}}

It's okay to watch, just don't touch.  
It's okay to touch, just don't taste.  
It's okay to taste, just don't bite.  
It's okay to bite, just don't don't enjoy.

Hey man, you better change your attitude.  
You better tip the dancer.  
Hey, you better change your attitude.  
You better tip the dancer too.
