

# Paolo Santos, 6, 8, 12

Ooh, ooh  
Do you ever think about me?  
Do you ever cry yourself to sleep?  
In the middle of the night when you're awake,  
Are you calling out for me?  
Do you ever reminisce?  
I can't believe i'm acting like this  
I know it's crazy  
How I still can feel your kiss

1 - It's been six months, eight days, twelve hours  
Since you went away  
I miss you so much and I don't know what to say  
I should be over you  
I should know better but it's just not the case  
It's been six months, eight days, twelve hours  
Since you went away

Do you ever ask about me?  
Do your friends still tell you what to do?  
Every time the phone rings,  
Do you wish it was me calling you?  
Do you still feel the same?  
Or has time put out the flame?  
I miss you  
Is everything okay?

Repeat 1

It's hard enough just passing the time  
When I can't seem to get you off my mind  
And where is the good in goodbye?  
Tell me why, tell me why
