

Paolo Santos, Comfortable

Comfortable

I just remember that time at the market
Snuck up behind me and jumped on my shopping cart
Then rolled down Isle 5

You looked behind you, you smiled back at me
Crashed into a rack full of magazines
They asked us if we could leave

REFRAIN 1

I can't remember what went wrong last September
Though I'm sure you'll remind me if you had to

CHORUS

Our love was comfortable and so broken in

I'll sleep with this new girl I'm still getting used to
My friends all approve, say "she's gonna be good for you"
They threw me high fives

And she says the Bible was all that she reads
Prefers that I not use profanity
your mouth was so dirty

REFRAIN 2

Life at the party and she swears that she's artsy
But you could distinguish Miles from Coltrane

CHORUS

Our love was comfortable and so broken in
She's perfect, so flawless, or so, so they say
so they say

She thinks I can't see the smile that she's fakin'
And poses for pictures that aren't been takin'
I love you: grey sweat pants, no makeup, so perfect

CHORUS

Our love was comfortable and so broken
She's perfect, so flawless, I'm not, not impressed
I want you, want you, want you back
Want you, want you back

oh,oh
