

Paolo Santos, Landslide

Landslide

I took my love and I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow covered hills
Till' the landslide brought me down

Mirror in the sky
What is love
Can the child within my heart rise above
Can I sail thru the changing ocean tides
Can I handle the seasons of my life

Well, I've been afraid of changing 'cause I built my life around you
And time makes you bolder
And Children get older
I'm getting older too
Well...

Well, I've been afraid of changing 'cause I built my life around you
But time makes you bolder
And Children get older
I'm getting older, too
Well I'm getting older too

Take this love and take it down
Climb a mountain and I turn around
You see my reflection in a snow-covered hills
Well the landslide bring me down
And if you see my reflection in the snow-covered hills
Maybe the landslide will bring me down
Maybe the landslide will bring it down
