

# Paolo Santos, Landslide

Landslide

I took my love and I took it down  
I climbed a mountain and I turned around  
And I saw my reflection in the snow covered hills  
Till' the landslide brought me down

Mirror in the sky  
What is love  
Can the child within my heart rise above  
Can I sail thru the changing ocean tides  
Can I handle the seasons of my life

Well, I've been afraid of changing 'cause I built my life around you  
And time makes you bolder  
And Children get older  
I'm getting older too  
Well...

Well, I've been afraid of changing 'cause I built my life around you  
But time makes you bolder  
And Children get older  
I'm getting older, too  
Well I'm getting older too

Take this love and take it down  
Climb a mountain and I turn around  
You see my reflection in a snow-covered hills  
Well the landslide bring me down  
And if you see my reflection in the snow-covered hills  
Maybe the landslide will bring me down  
Maybe the landslide will bring it down
