

Paolo Santos, Seasons Of Love

Five hundred twenty five thousand
six hundred minutes
five hundred twenty five thousand
moments so dear
five hundred twenty five thousand
six hundred minutes
how do you measure
measure a year

in daylights, in sunsets
in midnights and cups of coffee
in inches, in miles
in laughter, in strife
in, five hundred twenty five thousand
six hundred minutes
how do you measure
a year in the life?

how about love?...
how about love?...
yeah..
how about love?
measuring love
seasons of love, seasons of love

Five hundred twenty five thousand
six hundred minutes
five hundred twenty five thousand
journeys to plan
five hundred twenty five thousand
six hundred minutes
how do you measure
the life of a woman or a man
in the truth that she learns
or the times that he cries
and, bridges he burns
or the way that she dies?

its time now, to sing out
the story never ends
celebrate, remember the years
and the life of friends

remember the love....
remember the love...
yeah...
remember the love
measuring love,
seasons of love
seasons of love..
