

Paolo Santos, Through The Fire

I look in your eyes and I can see
We've loved so dangerously
And you're not trusting your heart to anyone
You tell me you're gonna play it smart
But we're through before we start
I believe that we've only just begun

When it's this good, there's no saying no
I want you so, I'm ready to go

CHORUS:

Through the fire, to the limit, to the wall
For a chance to be with you
I'd gladly risk it all
Through the fire
Through whatever, come what may
For a chance at loving you
I'd take it all the way
Right down to the wire
Even through the fire

I know you're afraid of what you feel
You still need time to heal
And I can help if you'll only let me try
You touch me and something in me knew
What I could have with you
I'm not ready to kiss that dream goodbye

When it's this sweet, there's no saying no
I want you so, I'm ready to go

CHORUS

Even through the fire
Even through the fire...
