

# Papa D, Beautiful Life

When  
I get to lookin in your eyes  
Then  
Its only you I fantasize  
You  
You know you took me by surprise  
And  
Its only then I realize  
Its a  
Beautiful life  
Its a  
Beautiful life  
ref.  
We could be together  
(Welcome beautiful life)  
You and I forever  
(Welcome beautiful life)  
Like the sunny weather  
(Welcome into my life)  
Baby I would never  
Let you down  
And  
Well nothing matters coz in time  
I  
I know Im gonna make you mine  
See  
Now Ive been reading all the signs  
And  
You know were gonna be just fine  
Its a  
Beautiful life  
Its a  
Beautiful life

We could be together
