Papa Roach, Forever

In the brightest hour of my darkest day I realized what isw rong with me Can't get over you. can't get through to you It's been a helter-skelter romance from the start Take thses memories that are Haunting me Of a paper man cut into shreds by his own pair of scissors He'll never forgive her...he'll never forgive her... Because days come and go but my feelings for you are forever Sitting by a fire on a lonely night Hanging over from another good time With another girl... little dirty girl You should listen to this story of a life You're my heroine-in this moment i'm lonely fulfilling my darkest dreams All these drugs all these women I'm never forgiven..this broken heart of mine One last kidd before i go Dry your tears, it is time to let you go One last kiss
