

Papa Roach, Leave A Light On (Talk Away The Dark)

Dry bones rattle in a lonely soul
Slipped and fell into a deep black hole
I can tell you're lost, I'm here for you
Wildfires burning you down to stone
Blind eyes, turning from a world so cold
A million miles apart, within my reach
It's not like me to worry
But when I see you fading in the dark
I'll leave a light on for you
Through the long nights, I will be right
There for you if you drift too far
I'll leave a light on for you, you, you
Rain comes following an endless drought
To wash away the remnants of all your doubt
I hope that you'll see me looking out
It's not like me to worry
But when I see you fading in the dark
I'll leave a light on for you
Through the long nights, I will be right
There for you if you drift too far
I'll leave a light on for you
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh
Through the long nights, I will be right
There for you if you drift too far
I'll leave a light on for you, you, you
