

# Papa Roach, Leave A Light On (Talk Away The Dark)

Dry bones rattle in a lonely soul  
Slipped and fell into a deep black hole  
I can tell you're lost, I'm here for you  
Wildfires burning you down to stone  
Blind eyes, turning from a world so cold  
A million miles apart, within my reach  
It's not like me to worry  
But when I see you fading in the dark  
I'll leave a light on for you  
Through the long nights, I will be right  
There for you if you drift too far  
I'll leave a light on for you, you, you  
Rain comes following an endless drought  
To wash away the remnants of all your doubt  
I hope that you'll see me looking out  
It's not like me to worry  
But when I see you fading in the dark  
I'll leave a light on for you  
Through the long nights, I will be right  
There for you if you drift too far  
I'll leave a light on for you  
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-oh  
Through the long nights, I will be right  
There for you if you drift too far  
I'll leave a light on for you, you, you
