Papa Roach, Lifeline

When I was a boy I didn't care about a thing
It was me and this world and a broken dream
I was blaming myself for all that was going wrong
I was way out there on the wrong side of town
And the ones that I loved I started pushing 'em out
Then I realised that it was all my fault
Chorus
I've been looking for a lifeline
for what seems like a lifetime
I'm drowning in the pain, breaking down again
Looking for a lifeline
So I put out my hand and I asked for some help
we tore down the walls I built around myself
I was struck by the light and I fell to the ground
Chorus
I've been looking for a lifeline (looking for a lifeline)
For what seems like a lifetime (seems like a lifetime)
I'm drowning in the pain, breaking down again
Looking for a lifeline (looking for a lifeline)
Is there anybody out there?
(Is there anybody out there?)
Can you pull me from this ocean of dispare?
I'm drowning in the pain, breaking down again
Looking for a lifeline (looking for a lifeline)
Bridge
You know a heart of gold won't take you all the way
And in a world so cold it's hard to keep the faith
Im never gonna fade away!
Yeah!
Chorus
I've been looking for a lifeline (looking for a lifeline)
For what seems like a lifetime (seems like a lifetime)
I'm drowning in the pain, breaking down again
Looking for a lifeline (looking for a lifeline)
Is there anybody out there?
(Is there anybody out there?)
Can you pull me from this ocean of dispare?
I'm drowning in the pain, breaking down again
Looking for a lifeline
(looking for a lifeline)
