

Papa Roach, M 80 (Explosive Energy Movement)

Yeah!

This music is my time to reel out and rewind

I'll be brutal with truth, I'd rather be honest with my soul

Be the pile of trash a bum picks through to get a bite to eat

I'm filthy, I'm horny, I'm dirty nasty dirty!

I'm strong and fearless

Only 'cause I got rock 'n' roll

I'm knee-deep in our blood

Only 'cause I got rock 'n' roll

C'mon!

Baby c'mon!

Yeah, baby c'mon!

Baby c'mon!

Break it, break it, break it, break it

I'm strong and fearless

Only 'cause I got rock 'n' roll

I'm knee-deep in our blood

Only 'cause I got rock 'n' roll

I'm crazier than I ever was

I'm bloodied up I beat my skull in

I'm comin' home in a body bag

And I'm ready to die for rock 'n' roll

I can't change the world

I can only change myself yeah

I'm as sharp as a knife, as high as a kite

Demented as the night is long

I'm strong and fearless

Only 'cause I got rock 'n' roll

I'm knee-deep in our blood

Only 'cause I got rock 'n' roll

I'm not sheddin' a tear

I'm blowin' some steam

I'm stuck in between, living a dream

I'm not sheddin' a tear

I'm blowin' some steam

I'm stuck in between, living a dream

C'mon!

Baby c'mon!

Yeah, baby c'mon!

Baby c'mon!
