

Paperback Hero, Comic Book Hero Girl

Morning look in the mirror, what do you find
Troubled girl with the hurt more than one time
With a gift maybe green that'll change lives
On a pole grinding laps that you despise

Taste the evil controlled only sometimes
Do a line maybe once, maybe two times
Chase the fear with a beer that lasts all night
In the face of a men that you despise

So you share your world
Colorful comic book hero girl
Can you change your world
As you shed it, girl

Evening dance in your place it's the spotlight
Take a chance with a date, walk a thin line
Blow a kiss, birth a wish, now it's show time
On a pole grinding laps that you despise
