

Paperback Hero, Gone

It's almost gone, feel this moment slowly slipping away
You're all but gone, searching for the words I wanted to say
And now you're lost, never knowing if I'll see you again
Cause it's gone, gone, gone, she's gone, gone, gone gone
You're all but gone, touch of your hand and every moment after
You're all but gone, vision of your adorable laughter
And now you're lost, never knowing if I'll see you again
Cause she's gone, gone, gone, she's gone, gone, gone
Oh she's gone
I hope that somewhere out there, someone out there feels the same
I hope that you're out there, and this song, it ends my pain
Never to fade
