

Papermoon, Mercury Is Clearly Opposing Neptune

you dont know how many times her eyes fix on you
with a concentrating stare
so close to getting inside she is swimming through
not really going anywhere

and you will never know (you will never know)
you will never know
she is
retreating again
unable to feel this much
so close to hiding away and your hopelessly hoping she'll stay

you dont know how many times she has read your words
that she was not supposed to read
and you dont know how she can wear all her feelings on her sleeve
there for anyone to see

and you will never know (you will never know)
you will never know
she is
retreating again
unable to feel this much
so close, to hiding away
and your hopelessly hoping she'll stay
your hopelessly hoping she'll stay

someday perhaps she might see all your secrets revealed
someday
someday
someday

do do dododododo

she is
restreating again
unable to feel this much
so close to hiding away
but your hopelessly hoping she'll stay
your hopelessly hoping she'll stay
