

Parachute Band, Sovereign

You are the sovereign one
Jesus second to none
Almighty Saviour, devil is defeated
You are my sole defender
My only spirit mender
You are my hero, thank you Jesus

There's power in the name of Jesus, Jesus
You give deliverance that frees us, frees us
Though Satan tries to overcome, defeat us
I call upon the mighty name of Jesus

Jesus, I call upon Your name
You are the strength inside me
Up, down, around, beside me
When I am weak, I'm strong
By the power of the risen Lord within me

Power, Jesus, power, in the name of Jesus
